

LITTLE FLOWER HIGH SCHOOL

LET YOUR LIGHT SHINE

ESTD.: 1953

December NewsBytes 2

Class 5

- ★ **December** is a month where the story of a year stops, when it all comes to a conclusion, when you can see the line drawn between an ending and a new beginning. You are to choose what to hold on to, to bring along to your new ride, and what to let go of and leave behind.
- ★ Be it a Christmas Eve celebration or New Year party, or any other theme party, this month is an overdose of fun and joy. It provides a proper farewell to the current year and an enthusiastic welcome to the brand-new year. No month other than the one and only December can do them both at the same time. So here we are, the teachers and the students of class five, with the support of Rev. Brother Shajan Anthony, present to you the December Newsbytes 2.
- ★ God dwells in pure hearts. Love binds man to man and God to man. He imbibes divine nature into sinners. That insight is **Christmas**.
- ★ LFHS had **Christmas celebrations** for staff on **December 19th**. As rightly said, "Giving is the greatest act of grace," the members of the staff with a heart filled with compassion and warmth and with the vision of helping the needy had put up the games stalls for the teachers themselves and raised funds to help the poor.
- ★ On the same day, our school organized the **Inter Montfort School Carol singing Competition - Pune province**. Students sang a variety of carols enthusiastically and melodiously, spreading the message of faith, happiness, and peace.
- ★ **HUM FIT TOH INDIA FIT**- LFHS geared up for fitness. And to remain healthy, organized CYCLOTHON - a new craze combining fitness and fun as a part of the FIT India program for our Little Flowerians on **December 21st**
- ★ Srinivasa Ramanujan is a name to reckon among pioneers in Mathematics. On **December 22nd**, National Mathematics Day was celebrated to commemorate the birth anniversary and pay tribute to the famous mathematician Srinivasa Ramanujan. Our school cabinet conducted a variety of competitions like poster making, quiz, jewelry designing, and a competition titled UNION, which showcased the necessity of Maths with other fields for classes 5,6,7.
- ★ **Centre for Cellular and Molecular Biology, Hyderabad** has conducted a day-long interactive session called Vigyan Yatra for students and teachers on **December 13th**. Scientists and experts interacted with students and teachers in this day-long virtual session.
- ★ A **unique celebration in a unique way**. This year the teachers and the students of LFHS witnessed a grand virtual Christmas celebration. Through this celebration, we could say to the world that nothing can dampen our spirit because the **SON OF GOD** has come to dwell amidst us. Students of the four houses displayed digital boards and performed skits with a meaningful message. The highlight of these celebrations was the spinning of **LUCKY WHEEL**. Our principal, Rev. Brother Shajan Anthony, gave surprise gifts to the lucky winners.
- ★ As a part of Christmas celebrations, Rev. Brother Shajan Anthony organized a **Catholic Children Meet** and distributed gifts. He also inspired them to reach greater heights in life with his motivational talk.
- ★ Christmas is incomplete without Carol singing. **Virtual United Carol singing competition** was organized where students from various schools enthusiastically participated, spreading the message of joy and happiness.
- ★ **Achievements**: We are proud to announce that Master Mustafa Ahmad of class 9th C has won the quarterfinal round of the **TCS IT WIZ 2020**(the biggest IT quiz in India) and also Master Sai Ankit Reddy of class 10-C for winning the **Entab Campus Care debate competition**.
- ★ Though the pandemic has forced us to stay indoors, nothing could dampen our spirits. We at Little Flower, with the able guidance and support of Rev. Brother Shahjan Anthony, were able to host a spectrum of virtual competitions. We thank God for his choicest blessings and look forward to a blissful New year.

Blooming Buds

I participated in "cyclothron" a fitness event organised by our school as a part of FIT India progra. It was inaugurated by our beloved principal Rev.Brother Shajan Anthony by waving the flag .It was an amazing experience -a combination of fitness and fun .I was very happy to receive an e-certificate for participating. I sincerely thank our principal and all the organisers for this memorable event

-Ahmad

"We Cop".A traffic awareness program was conducted in our school. I, Ahmed Omar would like to share my views. This program aims to educate school children about road safety and to encourage them to act as junior Cops themselves to enforce road discipline. I liked this session very much as it was all about safety .In my opinion road safety awareness is a team responsibility and each one of us has a unique role in being an ideal road user. Let us all join hands in inculcating road discipline to make a Hyderabad city a safe place to live in. Alert today - Alive Tomorrow.

-Ahmed Omar

For this academic year, I was selected as a house leader for Argonauts in a virtual class. I was thrilled because I became the class leader for the first time and also because my mother pinned the house leader badge on me. As a leader, I will do my duties on time and will try to help my friends.

CLASS 5 C

LET YOUR LIGHT SHINE

CHILDREN'S DAY

14th November! It's a very special day for all of us. This year I thought due to pandemic we will not have any celebrations. But our teachers made it a wonderful day by entertaining us through various activities like dancing, singing, skits and conducted various online games for us.

v.vasavi

MERRY CHRISTMAS

Inspite of pandemic we, the students of Little Flower High School celebrated Christmas marvelously.

The Carols, the Nativity Play witnessing the birth of Jesus Christ and the most interesting part of the program was the lucky draw. I was very excited to see Brother as Santa.

The second part of the program was skits performed by various houses based on the awareness of Covid-19, was very informative.

FAMILY OF LEARNING

Due to COVID-19 Pandemic Education shifted suddenly from Face-Face teaching to online teaching. I thank my institution (LFHS) for putting great effort to see that we students achieve required knowledge and skills.
