Principal

Glimpses of Little Flowets

Dear Parents,

Greetings of the season !

This year has been an extremely gratifying one as we mark the Platinum Jubilee Year. Celebrating this icon of excellence we've initiated a year long celebration to mark this milestone. Seventy years of teaching minds, touching hearts and transforming lives. With its humble beginnings in 1953 Little Flower High School has been transforming lives and fostering excellence. The theme of the year Creative Minds Connect the Future has propelled us to prepare our students to be academically accomplished and emotionally balanced to stride to the next level as forward - thinking individuals and futuristic citizens. Our constant endeavour has been to promote the right skills, healthy habits, true spirit of Sportsmanship and positive attitude through our multifarious activities..

"People do not decide their future they decide their habits and their habits decide their future" - F.M Alexander

For the next two months children are going to spend maximum time with you. Let those days be full of sunshine, togetherness and family time. Inculcate in them the habits of being connected to the greatest power in the universe. A family that prays together stays together. Meal time is a great time to bond; teach them the importance of hard work of the farmers and ask them to be mindful while eating. Involve them in household chores, they become responsible and learn the dignity of labour. A book and a dictionary should be their best friends; I advise everyone to go in for a digital detox and pull ourselves away from our phone screens and other digital devices for some time every day and take that time to reconnect with ourselves and our families. Share stories of your childhood and encourage them to take care of grandparents, encourage them to pursue hobbies like gardening, yoga, crafts, meditation, coding or taking up some other activities or summer classes. Do allow them to visit the local market with you. Do keep them engaged with physical activities, allow them to visit parks and also have their own garden, and let them be a 'Plant Parent'. Kindly ensure that they do a page of handwriting and Newspaper reading daily even if it means reading aloud for them to start with. Our children are a powerhouse of creativity and talent and we aim to nurture them to be GLOBAL CITIZENS who are deep - rooted yet have an international outlook.

I dream to see our students as authentic leaders who continue to uphold the legacy of our founder St. Louis De Montfort. I express my gratitude to all the parents for your unwavering support and cooperation.

Looking forward to the next seventy years and beyond.....

Wishing you all a happy and rejuvenating vacation

*Yours in the cause of education,
Rev. Bro. Shajan Antony
Principal*

Activities of the Third Term:

We Miss You

Mentoring the Future Leaders

Graduation Day and Thanks giving Ceremony for the outgoing Students of Class X 2022 – 2023 was celebrated on March 18th, Ms. Aruna Bahuguna IPS (Retd) was the Chief Guest. It was a solemn and emotional event for the students, parents and staff of the LFHS who wished them for their bright future.

Dream Believe Achieve

Once upon a time ...

English teachers of the primary and the high school had a session on how to use a variety of content and plan interesting activities for the classes using Story Box – Ms. Aparna Vishwanth guided the teachers in the effective use of the Story Box

Service Through Excellence

CPR training Session was conducted by Dr. Ramesh from the emergency department of KIMS secunderabad. The entire Staff was given hands on practice for administering CPR and providing basic life support.

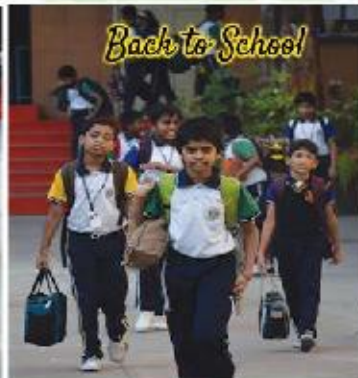

Ms. Padma Pelle, Inspector, Cyber Crimes, Hyderabad, Telangana, addressed the students of Class VII on 22nd February, 2023 giving them insights into the careful use of the social media sites. She said that misuse of the same will bring a lot of problems for them, their parents and their families. It was an interactive session and the students posed several questions.

Being Cyber Safe

School Uniforms & Bookstall

The School uniform consists of Khaki Trousers and White Shirt (boys), Khaki Pinafore and White Shirt (girls) with Black Leather Shoes, Black Socks, School Belt, Neck Tie and the House Flaps, Kindly procure the uniform of the correct shade and pattern as displayed in the school premises. Kindly refer to the School Handbook for the prescribed shade and pattern of the uniform. With growing demand from parents and for the overall personality development of the students, we conduct different activities for them on Wednesdays. In lieu of this a sports uniform is prescribed. This will be available in the school campus from the first week of May 2023.

Back to School

Re-Opening

Students are expected to reach school by 08.am from the day of re-opening (12-06-2023). We hope to see every student on the first day of the next academic year to begin a new school year with enthusiasm and optimism.
